ALPHABETICAL LIST OF THE PRINCIPAL INDIAN INHABITANTS

For Barristers, Vakils, Pleaders, *see* **under their respective stations**

As the greatest confusion at present prevails in the English rendering of Indian names, it is advisable to look under each variety of spelling that occurs to the searcher.

Ruling Chiefs, Noblemen, Zemindars, etc., are shown under their territorial designations.
Where no station is mentioned, CALCUTTA *is to be understood.*

THE
MADRAS AYURVEDIC PHARMACY,
LIMITED.
MADRAS.

We have great pleasure in informing the public that **The Madras Ayurvedic Pharmacy** was founded in the year 1915, by Ayurveda Ratna Pandit, Dr N. V. Sri Ramacharlu, ph.d.sc., who hails from a reputed family of Physicians of Southern India and whose ancestors, during the past Three Centuries and over, have studied the Ayurvedic System and have practised the same with success. In accordance with true Hindu notions, the ancestors of Ayurveda Ratna Pandit, Dr N. V Sri Ramacharlu, ph.d.sc., attained a high degree of perfection in Ayurvedic Medical Science and were alleviating the sufferings of the people in a large measure In this connection, it may be noted that the public of South India, prior to the advent of British Government, had in appreciation and recognition of the splendid work that was being carried on by the ancestors of the Pandit, granted a Jaghir of the value of Rs. **40,000** to be a hereditary right in the said family

As regards Pandit N. V. Sri Ramacharlu himself, he has valued no other vocation in life, except the study and development of Ayurvedic Medicines and the resuscitating of the same from the oblivion to which it has been ruthlessly consigned after the advent of the Allopathic system into this country, for reasons which are too well-known to need repetition. It is now beginning to be realised that the Ayurvedic System of medicine has in it, rich treasures in regard to which the Allopathic system could stand no comparison in any measure or extent; and it is a matter for gratification that the endeavours of the esteemed Pandit have already begun to bear fruit, as will be evident from the vast measure of patronage that has been extended to his medicines year after year During the year of 1924 alone, the number of patients treated by **The Madras Ayurvedic Pharmacy, Ltd** came to **200,000** and sales of medicines effected in the Pharmacy amounted to Rs. **1,00,000.** Several specifics employed in the treatment by the Pharmacy are the results of the vast research work carried on by the ancestors of the Pandit, and by the Pandit himself, who, recognising the advance of Western Science, has applied his Scientific knowledge to the preparation of medicines in accordance with the Ayurvedic formulæ combined with its own researches in the realm of Ayurvedic Medicine during the past 25 years

The great popularity of our medicines is testified to by Myriads of persons who have been applying for them almost every day and the countless Unsolicited Testimonials that are daily pouring in and by their recognition in various Conferences and Exhibitions by the award of Gold Medals and First Class Certificates of Merit.
